

# Abdulazeez jubril

## Communication Designer

Creative and dedicated graphics designer, social media manager and community manager with over two years of experience in the cryptocurrency industry. Skilled in community management, social media marketing, and graphic design. Led community engagement efforts for various blockchain-based projects, including Chainpet P2E GameFi and Cycgo P2E GameFi. Proven ability to build and manage large communities on Telegram, Discord, facebook, Instagram and Twitter. Seeking new opportunities to utilize my skills and experience to support the growth and success of innovative bprojects.
